Girls:

- Skirts and jumpers may be worn in navy, khaki, or black.* The length of these garments must extend to at least the bottom of the knee at all times, whether the student is standing or sitting. Slits should come no higher than the bottom of the knee. We recommend purchasing garments with a large hem that can be let down as your child grows. Under their skirts/jumpers/dresses, elementary girls are asked to wear shorts that are not longer than the skirt.
- Blouses, polo shirts, and polo-style dresses may be any solid color except black. They must be loose-fitting and have sleeves and a collar. A modest neckline is expected at all times. Tank tops/undershirts must be in uniform colors and should not have visible writing.
- Leggings (those that resemble pants and/or stop above the shoe) should not be worn. In cold weather, tights may be worn.
- Either dress, loafer-style, or athletic shoes may be worn to class; however, all shoes must have at least a strap on the back. Sandals, as long as they have backs, are allowed for girls.
- Excessive make-up and jewelry should be avoided. Earrings may be worn in ear lobes only. No other body piercings are acceptable. Counter-cultural trends, such as tattoos, spiked jewelry, "Gothic" make-up, skull/skeleton symbols, and the broken inverted cross sometimes called a "peace" symbol, as well as other symbols disrespectful to the cross of Christ or to Christianity, should not be worn on campus.

*** Kindergarten girls may also wear navy, khaki, or black skorts (at least to the bottom of the knee).

Boys:

- Boys must wear full-length navy, khaki, or black dress pants (Dockers-style allowed) that do not have excessive pockets or zippers and that are not baggy. No jeans or jean-style pants, or jogger-style pants are permitted.
- Polo, dress or Oxford shirts may be worn in any solid color except black. They are to be kept tucked in throughout the day except during recess. Undershirts must be in uniform colors and should not have visible writing.
- Every boy in 1st grade through 12th grade must wear a belt with his school uniform. The end of the belt must not hang down below the rest of the belt when worn.
- Either dress, loafer-style, or athletic shoes may be worn to class; sandals and backless shoes are not permitted.
- The only jewelry items that a boy may wear on campus are a watch and one ring. Boys may not wear earrings, necklaces, or bracelets while on school grounds before, during, or after school. Sweatbands may only be worn during physical education class. Medical alert bracelets may be worn. Make-up (including fingernail polish) is prohibited on boys. Counter-cultural trends, such as tattoos, a "Gothic" look, skull/skeleton symbols, and the broken inverted cross sometimes called a "peace" symbol, as well as other symbols disrespectful to the cross of Christ or to Christianity, should not be worn on campus.
- Hair should be above the eyebrows, off the collar and ears, and trimmed neatly on the sides. No spiked haircuts should be worn, and no designs should be cut into the hair. Traditional haircuts are required.
